## DAY 4

Private Beach  
Camp

For the next 2 days we get to experience the local island way of life, with our Islander Experience. After breakfast, we join our local guides on their boat for 2 days of exploring islands and the surrounding areas of Port Barton.

Your first stop will be making a special visit to one of four local schools, where you'll have the chance to interact with the students and see firsthand the impact of your support. We encourage guests to bring school supplies, which can either be pre-brought or purchased the day before in Puerto Princesa. Guests can also make monetary donations that will go towards things like building kitchens, canteens, and sporting equipment. If the school is on holiday or it's a weekend, we'll visit the local day care center instead.

\*Please note the school visit may take place on day 4 or day 5

In the evening we get together around the fire at our very own private beach camp. Perfect! Don't worry about food either as our local guides will have everything covered with feasts of grilled fish, pork, rice, vegetables and fruit. In the evening you will sleep in tents directly on the beach in paradise.

### To El Nido

After breakfast, take some time to appreciate your spectacular surroundings before we then hop into a van and head up on our way to El Nido. When we arrive you will see why Palawan was named the most beautiful island in the world. Surrounded by islands and towering cliffs, El Nido is a secret paradise we are lucky enough to share. Once you pick your jaws up off the ground, we will check in to the funkiest hostel in Palawan. This slick hostel looks more like a boutique hotel than a backpackers! Settle in, then head to our favourite beach restaurant in the evening for food and a little tour of the town with your One Life family.

## DAY 10

Depart

Sadly, all good things must come to an end! On the final day of your tour, you will have an included private van transfer back to Puerto Princesa. The van departs from Spin at 7 AM. Please note, guests flying out of Puerto Princesa should not book a flight before 3 PM to ensure ample time for the transfer. If you prefer to fly back to Manila from the small airport in El Nido, you can use the Air Swift website to book your flight. Though a bit more expensive, this option allows you to avoid travelling back to Puerto Princesa for your flight.
