FAQ

What is the age range of the tour?

We have an age range of 18 – 45 years old for our tours. Most of our guests are aged between 21-35 years old.

What time do we arrive back in Canggu on day 12?

The bus will arrive in Canggu 14:00, since there can be traffic between Canggu and the airport, so we recommend booking a flight no earlier than 6pm to arrive with plenty of time.

How hard is the climb up Mt Batur?

It will take around 90 minutes depending on your fitness, but it's a very do-able hike with lots of scenic rest spots on the way up!

Do I need proper hiking gear for Batur?

You don't need proper hiking gear, a pair of trainers and lots of layers will do. You will be warm on the hike up but once you get to the summit it can get pretty cold before the sun rises. We recommend a hoody and maybe a wooly hat. Once the sun is up though its back to Bali's glorious normal temperatures!

Where do we spend the first night of the tour?

Frii Hotel Echo Beach, Canggu

Can I bring a suitcase on this trip?

We would recommend packing as light as you can on this trip, while we have private transportation at most points throughout the tour we do take fast ferries between Bali, Nusa Penida and Gili T so we recommend bringing a backpack or a lightweight suitcase to make this leg of the trip easier.

I've never surfed before, will this be an issue in Canggu

No problem at all, the lesson at Canggu is led by professionals and is perfect for beginners as well as intermediate surfers.

Where should I fly into?

Ngurah Rai International Airport in Denpasar (DPS).

Will I be picked up from the airport?

If you are arriving on day 1, you will be collected from the airport – just send us your arrival details ahead of time.

I am arriving a day early, can I still get an airport pick up?

Airport pick-ups are included if you arrive on Day 1 of the tour or if you purchase an accommodation pre-night from One Life Adventures. If you are arriving before Day 1, airport pick-ups are NOT included unless you have not booked a pre-night with us (don't worry we will give you very simple instructions on how best to get from the airport to Frii Hotel in your information pack so you shouldn't have any trouble!)

What are travel times like on this trip?

Indonesia is a very large country, so some travel times are longer than others. There are a few days with 3-4 hour drive but we break these up with stops along the way!

How much spending money do I need for this tour?

Spending varies from person to person & you'll receive a spending guide in your welcome pack, but \$30-40 AUD per person, per day is plenty on average. You can withdraw from ATMs at various points throughout the tour.
